

West Paw

Beachy Feast Mat™

7 Ingredients Difficulty: Medium

Ingredients:

- 1 large egg
- 1/2 cup of raw mix kibble
- 6 oz. of raw food
- 1/2 cup goat kefir
- 5oz. can of wild Alaskan pink salmon
- Two pinches of blue spirulina
- Sprinkle of freeze-dried Duck treats

Special Tools:

- Silicone treat mold

Directions:

1. Whisk egg and pour into silicone treat molds & freeze.
2. Fill one strip with salmon canned in water. Reserve the salmon water for future steps.
3. Fill one strip with your pup's favorite meal, top with remaining salmon water.
4. Crumble freeze-dried duck treats to resemble sand.
5. To create the ocean waves, sprinkle a pinch of organic blue spirulina into the goat's milk.
6. Just before serving, remove your egg treats from the freezer and place in your "sand" for your dog to find.
